

SPRING SHOW

After much deliberation we have decided it is time to eliminate our Spring Craft Show. This was a difficult decision, but in the last few years we have struggled to fill all the spaces in this show and the attendance was decreasing a little each year in spite of considerable increases in our advertising budget. We feel the time has come to concentrate on just producing our Fall and Holiday shows. We want to maintain our high standards but in order to fill the Spring show, we are faced with lowering those standards which we just cannot do. In addition, Spring is a lovely time of year and we want to enjoy the time traveling and spending time with our families.

We know there are very few Spring shows out there and that many of you relied on Mollie's Spring show. For that, we are sorry and hope you can find another good Spring show for your wonderful creations. We hope you will continue to apply for our popular Fall and Holiday shows.

JURY SESSIONS:

Jewelry Jury Session: We are changing how we choose jewelry for the shows. We receive over 50 jewelry applications each year but the jewelry category is limited to 16 jewelers per show. Therefore we are only accepting jewelry applications until Dec. 31, 2011 and will have one jury session at which all applications will be juried at the same time. We will maintain a waiting list for approved jewelers we are unable to place in either show. In the event of a jewelry cancellation, we will choose from the waiting list and notify that jeweler.

Other Craft Category Jury Sessions:

We will start jury sessions August 22, 2011 for all categories EXCEPT jewelry and continue to take applications until the category or shows are full.

SPACE FEES & IMPORTANT DATES

Check the application for all the dates you need to keep in mind. Please clip this section & keep it for your records.

Please note that we are extending the deposit option for 2012 as we felt it worked quite well for 2011.

Thank you for your continued business and friendship with Mollie McGee's Market. We appreciate it! Be sure to call or email us if you have questions.
